

11 October 1977

NOTE TO ALL NIOs

SUBJECT: NIO Representation at the Daily PDB Review Meeting

1. The NIOs will continue to receive copies of PDB draft articles for review as they are produced. The question then becomes what sort of representation the NIOs want at the 6 p.m. PDB review meeting.

Have permanent representative?

Rotate attendance among them?

Allow each NIO to attend as he sees fit?

Have no representative?

2. Permanent and rotation representation present some problems because of the classification of some articles considered at the 6 p.m. meeting. Leaving attendance up to each NIO allows for the possibility that some draft might slip through the process without any review by any NIO.

3. May I please have your guidance by COB, Wednesday, 12 October.
